If the opportunity is presented, however, he may wish to make the observation that the one thing he has noted is that employees resent any form of pressure either to contribute or to increase contributions already pledged. He will perhaps remember that during the recent drive, he received several letters from the Chairman, CFC, to try to increase contributions.</p> <div style="text-align: right; margin-top: 20px;"> <div style="border: 1px solid black; width: 100px; height: 30px; display: inline-block;"></div> James N.
